Z učenci 5. razredov smo se povezali na daljavo. V prvih dveh tednih so poleg nalog ponavljanja učenci sprejeli še moj izziv in se priključili povezovanju in razmišljanju o trenutni situaciji, ko smo vsak na svojem domu in daleč proč od prijateljev in šolskih klopi. Kar naenkrat smo se znašli v situaciji, ki je nova, neznana.

Želela sem, da učenci izrazijo svoje občutke in izrazila sem jih tudi jaz. Opisala sem dan, ki ga preživimo doma, v šoli na daljavo. Poimenovala sem jo šola v pižami.

Hvala učenci, da ste izziv sprejeli in sodelovali. Z vašo pomočjo je nastala tale spletna razstava.

We don't have to close the book, because of all these new, strange and unknown things happening in our lives. The page will be turned one day and we'll shine again and begin a new chapter.

Take care and see you soon.

Učenci so nenasitni,

jedli bi ves čas.

Kuharica brž predpasnik sleče

in v trgovino po priboljške steče.

Ko trebuščki so spet napeti,

športa ne smemo prezreti,

zato vse se zvrsti, od športne abecede, košarke,

do sprehoda čez vrhe tri.

V šoli v pižami se ne gre tako hitro domov,

celodnevni RaP je zagotovljen,

učiteljica pa brez težav,

cel dan vodi ta živ žav.

Če sreča je dana,

tam ob devetnajstih telefon že tristo dvainštirideset krat opozori,

in v e-poštni predal sporočilo prileti.

Naloga, naloga za drugi dan,

po kablu ali kanalu se dobi

in učenci brž in takoj reševali bi.

Še sreča je,

da učenca poskrbita,

da učiteljice preveč ne obremenita.

Učiteljica v pižami obvlada skoraj vse,

od slovenščine do fizike,

od Azije do Amerike,

od dreves do teles.

Po pestrem in pisanem dnevu,

se šola v pižami v pižami zaključí

in prav vsak še prisotni in prisebni

z veseljem ugotovi,

da zaman so skrbi,

saj je važno le,

da SKUPAJ IN ZDRAVI SMO MI.

# IT'S CORONA TIME

Everybody now talks about Corona.  
United nations, WHO and my whole  
generation. What should we do?

Lets get some activation. We must  
obey the rules and reg' regulations,  
wash hands and keep the seperation.  
At the end we will be the one who  
who will sing celebration.

I miss school and all my  
friends and teachers. Its nice to be home  
but its it is also nice in school.

## CORONA VIRUS

Here's a tip if you want to survive.

Try not to be a baby or over 65.

Washing your hands should do the trick.

Let's act like we're in school and bully this  
virus.

I hope you like it.

A.K.

CORONA IS THE NEW BOSS,  
THAT'S WHY THE SCHOOLS  
AND SHOPS ARE CLOSED.

WE HAVE TO LISTEN TO THE  
RULES,  
IF WE WANT TO WIN THIS VIRUS.

PLEASE WASH YOUR HANDS  
AND STAY AT HOME,  
SO LIFE WILL SOON COME  
BACK AS BEFORE.

VITA

Hvala vsem učencem, tistim mojim, v šoli v pižami in tistim na daljavo. Hvala vam, ker svoje šolske obveznosti opravljate vestno in ste se po najboljših močeh prilagodili čisto drugačnemu učenju in poučevanju, ki ste ga bili vajeni.

Hvala staršem, ki jim stojite ob strani in jih spodbujate.

Hvala vsem sodelavcem in vsem kolegom širom Slovenije za vso medsebojno podporo in nesebično deljenje inovativnih idej in odličnih primerov učnih ur.

Hvala družini in moji šoli v pižami.
